

4 day, 3 nights package soft activity

DAY 1: Pick up from Luleå airport transfer to Sörbyn Lodge. Get settled in and enjoy a delicious 2-course dinner, the culinary side of Sörbyn Lodge is the restaurant Kallkällan (The Spring). Here they serve the guests with an array of flavours based on traditional Swedish dishes with global finesse. They work with organic producers from the immediate area, which they also complement with delicacies from other parts of the world. It is run with the aim of constantly developing our local cuisines. The spring water comes from the underground sources of Lake Vitträsket, and no chemical purification is needed. The restaurant serves it Eau Naturelle or if wished, slightly sparkling.

DAY 2: After breakfast out on the lake in front of the lodge, you drill a hole and sit on reindeer skins trying our luck at ice-fishing. We learn about the equipment we will use to try to catch the fish and we learn about the different species of fish in the lake/river. After a while, you take a break with a Swedish fika with cinnamon rolls and warm drinks to enjoy while hoping for a nice catch and learn more about the mysterious ice-fishing, after ice-fishing enjoy a delicious Lunch at Sörbyn Lodge and 2-course dinner.
